APPLICATIONS OF THE

INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History •

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Sir-

I have heard nothing from you since Oct. 23, relative to the applications of Agnes, Alice, Grace and Harold B. Kennicott in the Eastern Cherokee Enrollment. At that date you notified me that on account of the numerous applications ours had not been reached yet. Will you not kindly let me know if the Court of Claims have not now reached us and if they have not as yet would it be to much trouble to ask you to let me know when you think it likely they will adjudicate our claims and when it has been done what disposition has been made of our applications.

As I said in my previous letter we are greatly in need of any financial assistance we can obtain from this source and anything you will do to hurry this matter on will be greatly appreciated by all of us.

Sir-

In response to your favor of the 18 th, with reference to applications NO: 15056, 15057 and 15058 in the Eastern Cherokee fund, we wish to state in answer to the questions put therein- That the reason our parents were never enrolled is because we only trace our decent through our mothers side of the family thus leaving our father out of consideration. Our mother was never enrolled as I understand it because our Grandmother being a rather sensitive person got very disgusted at nothing ever coming from the enrollment of her mother and herself. They were enrolled by an agent named Col. Dedreck when my Grandmother was about 7 or 8 years old and this would as we figure it be approximately 1835 or 36.

They received rations but nothing more as the man, by the name of Thomas, who was to bring the money absconded. They were paroled after this and given papers to this effect, these papers I have been unable to locate and believe are lost. Our Grandmother thought these records of Col. Dedreck were at Murfreesboro N.C.

Our Grandparents names on our fathers side were John and Mary Kennicott and on our mothers side William and Susan Brannon.

Our Grandmother as we have stated above we believe was enrolled by her mother with her five other children. We do not know if our Great-grandmother enrolled under her maiden name of Annie Wight or if it was under her married name of Annie Jordan.

We have never been enrolled for the same reason as our mother was never enrolled namely that we never ascertained to us that it would do any good to do so.

To the best of our belief none of our ancestors were slaves.
We believe that we are descendants of the Cherokee Indians and that our ancestors were members of the Eastern Cherokee tribe at the time of the treaty of 1835-36. If this is so then we think we are entitled to share in this fund as our family have never received anything from the Government and were in fact left penniless.

Trusting that this is the information that you wish we are

Dear sir:-

Since filing my application for my part of the Eastern Cherokee fund, I find that my people through whom I claim to share, went by the name of "Jesse Deerskin as much or more than he did by the name of Moccasin, and I am of the opinion that they are enrolled by that name on the roll of 1851. Should it develop that they are so enrolled, please make the necessary change, and oblige.

Nancy Middlestriker is my half-sister. Jane Middlestriker
her mother was an Old Settler. Her father was an Immigrant. He
drew some money but I do not know anything about it. I do not know

I think my mother was the second wife of Ska-key Middlestriker.
Jake Still knew my sister's grandparents. I did not know my
sister's grandparents nor do not know anything about them.
Her father did about five years ago. He was a real old man when he
died. My sister did not get Old Settler money about fourteen
years ago. Her mother did.

William Sweetwater in behalf of Polly Brown, being first duly sworn, thru his Interpreter, Tom Roach, deposes and says:-

I am about 60 years old: I knew Polly Brown and her parents. I do not know whether the mother of Polly Brown was an Emigrant or not. I became acquainted with her after the enrollment of 1851: After the payment of 1852 Rachel lived with Jack Wickett; Rachel was an old woman in 1851; I do not know whether Jack Wickett was an Old Settler or not; I do not know his Cherokee name; He was called Ja-ke Choo-tah-see-tah-lih or Blue-eye. He was about a quarter Cherokee. Rachel looked to be about a quarter Cherokee; I do not know when Rachel died; I think she died about the time of the war: Rachel took up with another man and went South the time of the war: the man she went with was Joe Summerfield: He was a part Cherokee Indian. Rachel was considered to be a Cherokee about the time of the war: Webb Wickett, # 16445, is a full brother of mine; Polly Brown; Anna Cordery is a half sister of Polly Brown on the mothers side: Her father was Joe Summerfield. The father of Joe Summerfield was John Summerfield--the wife of John Summerfield was Oaty: (see Del 821) The Indian name of Joe Summerfield was Choo-guh-tah-tih. I think that Joe Summerfield had some children in 1851: He had a daughter by the name of A-ke. He also had a son by the name of Issac, or A-sick-e. Joseph Summerfield had a sister living with him by the name of Gah-daw-tluh-nuh in 1851. (See Del. 706)

I think that Goo-lah-chih was the father of Rachel. I do not remember seeing the mother of Rachel. I do not know her name; I do not of Rachel living with any other man before she lived with Jack Wickett; I do not think that Goo-lah-chih was living in 1851; When Goo-lah-chih was living, he lived in Del. District/ (see Del. 908 ?) I do not know who Goo-lah-chih's wife was. The brothers and sisters of Rachel were Mallie, who was living with a man by the name of Oo-dah-nee-yuh-duh. She had a brother by the name of Nick. He had a wife by the name of Allie. I do not know the names of any of Nicks children. He had some at that time: I think Nick had sons by the name of Ce-lo or William and Wah-yih of Pigeon. (See Del. 907) I do not know the names of any of the other brothers and sisters of Rachel; Rachel was ten years old at that time: She has always been regarded as a Cherokee Indian: She was the oldest child. He had a brother by the name of Webb.

*Anna Cordery is good through father Del 706
I think Polly Brown was not born until after
and that Jack Wickett is on both the Old Settler
Roll and enrolled on Emigrant roll
with Rachel Del 362*

Polly Brown, being first duly sworn deposes and says

My name is Polly Brown. I am about sixty-three years old. I claim my Indian blood thru both my father and mother. My father was a quarter Cherokee and my mother was a full-blood. My father was an Old Settler. My mother was an emigrant Cherokee. My grandparents on my mothers side were Emigrant Cherokees. My grandparents came out on their own hook and did not come with the other Cherokees. My mother was enrolled in 1851. I remember my mother receiving the money in 1851. She received the money at Van Buren, Ark. My mother went by the name of Rachel Wickett in 1851. I dont know of any other name. Her Indian name was La-chil-lih ~~Gah-lah-chih~~ Gah-lah-chih (Gah-lah-chih) I had a sister about two years younger than me. Her Indian name was Tsah-lah-dah or Charlotte-tah. (Charlotte) In 1851 we were living in Delaware District. My grandparents on my mothers side were dead in 1851. My mother had no brothers and sisters who were living in 1851. In 1851 I think that I went by the name of Polly Wickett. Mother died in about the year 1866 or 1867 and I was raised up an orphan and the people who brought me up never told me much about my people. When the Old Settler payment was made in 1896 my brother and I received my fathers share.

I dont think my mother was married before she married Jack Wickett. My mothers maiden name was La-chil-lih Gah-lah-chih.

I do not know whether I was enrolled in 1851 or not. I do not know whether my mother drew for me or not. I think that I was about four or five years old when the war broke out. I am the oldest child of my parents.

My mothers father was Goo-lah-chih and her mother was Na-ke. My mother had a brother by the name of Tluh-tluh or Martin and a sister by the name of Tah-ya-ne-also another sister by the name of An-ne-wa-ke.

There was a family by the name of Sweetwater who lived near us. I dont know what any of their given names were.

I drew the grass money and have drawn in every payment of the Cherokees since the civil war. I was enrolled by the Dawes Commission under the name of Polly ~~Wickett~~ Brown.

My mothers second husband was Joe Summerfield. He was a Cherokee Indian.

My Dawes Commission number is #27628. I have five living children/., Biddie Hawkins, James T/ Lamar, Eddie Lamar, Susan A. Mc Mullins (now Ramming) who was enrolled by the Dawes Commission under the name of Susan A. McMullins, and George T/ Brown.

I have always lived with the Cherokees and I am sure that my mother was an Emigrant Cherokee.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were never enrolled?

State all your reasons for thinking your grandmother, Christiana Bailey, was a Cherokee Indian? Why was she never enrolled? Was she an Old Settler?

Give any other information obtainable tending to establish your right to share in the fund.

An early reply will be appreciated.

Sir in reply to your recd
Feb 23 will say

The reason my parents
were never enrolled was
this. In that country the
people never thought so
much about Indian claim
as they do in this country
and my father owned
quite a lot of land there
and was well fixed to
live. and he always
said we could only get
a small ^{not} portion of land
and could not sell it but be

Compelled to live on
the land and he did
not want to sell off
his home there and
move to this country
While at the same time
there were a number
of families not so com-
fortably situated that
did come out to this
country and taken land
that were greatly benefited
by doing so and we can
now see the mistake
our father made in
our behalf and our claim
comes through our
Grand mother on our

mother side:

And why I think we
are entitled to this claim
my mother always told
us children that we
had a right in the
Cherokee nation that
my grandmother
Christiana Bailey was
of the Cherokee Indian
my grandmother was
and old settler in that
country she married a
white man and never
left that country
there were quite a number
of Indian left there

that remained there
till their death
It has been so many years
since my my grandmother
died I expect it will
be very ^{difficult} to locate any of
the old settlers at this
time but I will write
immediately and get
all evidence I can to
fully establish my right
to this claim and I do
not want any thing through
fraud any information
you can give me concerning
this matter will be highly
appreciated

Prairie Grove, Ark. Feby 20th, 1908.

Hon. Guion Miller,
Washington, D. C.

Dear Sir:-

Replying to your favor of the 14th inst., in regard to the above named claims I have this to say:

Q. "Please state why your mother was not enrolled in 1851, if, as you state in your application, she was living at the time?"

A. In 1851 my mother was only a child. I have often heard her say that her parents were ashamed of their Cherokee blood, and for this reason I suppose, they were not enrolled.

Q. "Give the full names of your grand-parents on both sides, and state whether they, or any of them, were ever enrolled?"

A. I do not know the names of my grand-parents on my father's side, but I do know that they had no Cherokee blood in them, so of course were never enrolled. On my mothers side my grand-father's name was Daniel Martin, and his wife, my grand-mother, was named Sallie Martin. Her maiden name Sallie Elmore. Neither of them were ever enrolled. They regarded their Cherokee blood as a kind of disgrace; never liked to speak of it, and tried to conceal the fact that there was any in their veins.

Q. "Why have you never been enrolled?"

A. I thought that I was enrolled. I placed my case in the hands of M. M. Edmiston, an attorney of Miami, Oklahoma, and paid him a fee of five dollars for the purpose of being enrolled. He stated that that was the fee for getting on the rolls.

Q. "Were any of your ancestors ever slaves?"

A. Not that I ever heard of.

Q. "Please state clearly the names of the ancestors through whom you claim to be descended from the Cherokees?"

A. MY mother, Mary E. Davis; my grand-mother, Sallie Martin (ne Elmore). The Cherokee blood comes to me through my grand-mother, Sallie Martin, whose mother was a full-blood Cherokee, and whose father was a quarter-blood Cherokee. I do not know their given names.

Very truly yours,

Rebecca Shafer

Dear Sir: My wife has been enrolled in the Cherokee census Roll in 1890, and also in the strip Payment of 1894. And in regards to her Grand Parents on her Mother side it is impossible for me to answer. But I know they were eastern Cherokee "Emigrants", and I am full blood Cherokee myself. Again I was not in the Roll 1857, also my wife. That is why we can not answer questions. And I can not find some one to approve for no generation we are almost young people, unless if we are to permit to see ^{the} Roll of 1857. This is all I can relate you all I know is her mother name was Jennie, and her husband's name in Cherokee Oo-gi-lah-li, and they were married

POSTAGE

As our expense for postage is very heavy, parties writing us should bear in mind that we are corresponding with them concerning their own business, that we get no pay at all unless we get the claim allowed, and always enclose a sufficient number of stamps for conducting same. This matter of postage is important to us, and we are obliged to ask each claimant to keep us whole in this respect, and as this is only reasonable and right, we hope you will comply in your own case. The average amount of postage required is in original and new disability cases about 50cts., straight increase 20cts.

My father was born in Greenville, S. C. My father was 84 when he died and that was in 1897. My mother was 73 when she died and she died in 1886. Both of my father's parents claimed Indian. They lived in S. C. towards Greenville in 1835. My mother's parents were living in Pickens Co., Ga. towards Scaredcorn in 1835. I don't know whether either of my parents were on any roll or not. I don't know whether my parents or grandparents ever lived with the Indians as members of the tribe. They were among the Indians when they were here. My parents when they first came to this country (Cherokee Co. and around here) they lived on rented farms, I guess. I have heard my mother say many a time that she was scared to death for fear the Indians would come in and kill her. I am recognized as a white woman in the community. ~~I have been called~~ ~~Indian~~. My husband is a white man. My son's wife is a white woman.

State of Georgia County of Cherokee ss.

In the matter of the claim of Elias Earl Whitmire No. 13-110 share in fund appropriated by act of Congress of June 30, 1907 in favor of Eastern Cherokee Indians

ON THIS 15th day of August A. D. 1907, personally appeared before me, a

Elias Earl Whitmire age 73 years, a resident of near Cumming in the County of Torsyth and State of Georgia

I am the son of George Washington Whitmire and Mary Ann Whitmire and have the following brothers and sisters, to wit:—Elizabeth who married John Holtzclaw, Christopher Whitmire, Ratiff Boon Whitmire, Alisha Whitmire, Samuel Whitmire, Emily Adison, the wife of James Adison, Mary the wife of Boyd, Eliza Ann who married Elbert Overgood and Robert C. Whitmire.

[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]

My grandfather was Christopher Whitmire the son of Samuel Whitmire and Polly Whitmire one of the Holedent. Christopher Whitmire had several brothers and sisters of whom I only remember the following—Larkin, Stephen, Alpha, Sallie who married Mike Whitmire, Lucie who married Francis Trindley, Nester who married William Green and Delilah who married John Corbin. All of these were children of Samuel and Polly Whitmire. Samuel Whitmire and Polly Whitmire lived in Pickens District South Carolina where as I understand all of their children were born. I know all of the above by my own knowledge except Polly Whitmire was dead before I learned of her and this is the family history of the Whitmire family.

He further declares that he has interest in said case and is claimant.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why you were not enrolled in 1851? Why were your parents never enrolled? Were any of your grandparents enrolled, and if so, state when, where and under what names? Were any of your ancestors ever slaves?

Please state clearly all your reasons for thinking that you are descended from Cherokee ancestors.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

App. No. 15295

November 20, 1907.

Mr. J. C. De Putron,
Washington, D. C.

Sir:-

In the case of James J. Spears of Canton, Cherokee Co., Ga. (App. No. 15295) to participate in the funds arising from the Eastern Cherokee judgment, claimant states his grandparents were born in South Carolina and lived there in 1851. Please advise this office where his grandfather, James Spears, lived in 1855.

James J. Spears also avers in his application that Roxy Delilah Scissism, his great grandmother, was a full blood Cherokee Indian. Was she duly recognized as such by the tribe? When and where did she die? If living in 1855, why was she not enrolled at that time? Why was not James Spears and Josiah Spears, son and grandson of Roxy Delilah Scissism, enrolled in 1855 and 1851? Neither does it appear that the name of Josiah Spears, who died in 1900 and who is the father of claimant James J. Spears, was on the Roster Roll of 1884.

Please answer the above questions clearly and explicitly and furnish this office with such other information or evidence as will definitely connect Roxy Delilah Scissism and those claiming through her, with the Eastern Cherokee Indians, parties to the treaties of 1835-6 and 1845.

Very respectfully,

Special Commissioner.

In the matter of the claim of William T. Dover No. 15460 to share in fund appropriated by act of Congress of June 30, 1906 from Cherokee Indians

ON THIS 17 day of August A. D. 1907 personally appeared before me, The Ordinary of Dawson County, Ga. in and for the aforesaid County, duly authorized to administer oaths, Milly Palmour age 77 years, a resident of Dougherty in the County of Dawson and State of Georgia

I am acquainted with William T. Dover who had the following brothers and sisters; Lafayette, John, William, Frank, Polly who married James Evans and also others ~~whose~~ whose names I do not now remember all of whom were children of Alantha Dover and William Dover.

Alantha Dover was the daughter of James Chambers. I knew James Chambers before the year 1838 and he then lived in territory then known as the Cherokee Nation which is known as Lumpkin County, Georgia now. I have seen the mother of James Chambers and she was a half blood Cherokee Indian. I knew this as far back as 1838 or 1840. James Chambers told me on many an occasion that his mother was a Cherokee Indian and this was told me by James Chambers as far back as 1838 or 1840. I do not remember seeing the mother of James Chambers after the Indians were removed from Georgia. James Chambers and his mother lived among the Cherokee Indians. Jim Chambers had brothers and sisters but I can not give their names. I saw the mother James Chambers and know of my own knowledge that she was Indian blood.

I am the daughter of Jim Chambers who was born and raised as I understand in Raleigh County, North Carolina and was the son of a half breed Cherokee Indian woman as I remember called Ishalah. Ishalah married my grandfather Wylie Chambers and they had the following children, I wit Lizzie, John, Jim, and Robert Chambers and lived in Raleigh County, North Carolina.

My father, Jim Chambers, moved from North Carolina to Georgia about 1842 and lived in White County, Georgia and then about 1845 moved to Hall or Humphreys County, Georgia and lived in that vicinity until the time of his death about 1850 or 1851.

He was known and recognized by all that knew Jim Chambers as a Cherokee Indian. I have known Alantha Dover, have Cherokee Indian blood ever since I can remember and was called "Little Indian" by my father Jim Chambers even when a mere child.

Time after time I have gone with my father, Jim Chambers, to the territory where the Cherokee Indians stayed and remained with them for some hours and they claimed me to be a little Indian. Jim Chambers went there to trade with them and they always claimed him as an Indian.

H er Post Office address is Cumming, Georgia Route 4

APP. #15168.

John Calvin Roper,
Ranger,
North Carolina.

Dear Sir:

You state, in the application which you have filed for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, that your mother, Elizabeth Roper, was enrolled in 1851? Please state all your reasons for thinking that your mother was enrolled at that time, and under what name you think she was enrolled? The name of Elizabeth Roper, or Raper, does not seem to appear upon the roll.

12/198.

Were your grandparents, or any of them, ever enrolled, and if not, why? Why, have you never been enrolled? Were any of your ancestors ever slaves? Please state clearly all your reasons for thinking that you are entitled to share in this fund.

Handwritten initials

Were any of your ancestors parties to the treaties of 1835 and 1846? An early reply will be appreciated.

Very respectfully,

Special Commissioner.

John Calvin Roper being first duly sworn, deposes and says:

That I am 70 years of age and live in Cherokee Co., N.C. I claim my Indian descent through my mother; my father was a white man. My mother always went by the name of Elizabeth Roper. She never married my father. My mother's father Roper claimed the Indian. My grandmother Roper was white. James Roper was my grandfather's name. I was never on any roll myself, nor was my mother. She was afraid to be enrolled for fear she would be sent off. I don't know whether her father was on any roll or not. I nor my mother nor her father never received anything from the government. My mother was born and raised in Burt Co., N. C. Don't know when she was born but she died in 1895 in Cherokee Co., N. C. and was 85 when she died. I never lived with the Indians nor did my mother. I don't know whether my grandfather did or not, but don't suppose he did. I am recognized as white with some Indian blood. My mother raised me and recognized me as her son.

after being first duly sworn, deposes and says:

I am 42 years of age. I was the husband of Elizabeth Glasco. She died May, 1908. She claimed Cherokee Indian blood through her mother. Her mother is dead. My wife's mother was born in Missouri. Her parents were born in Tennessee. My wife never received any Indian money from the government and was not a Cherokee allottee. My mother-in-law never got any Indian money and never tried for Indian money or an allotment before this time. I saw my wife's grandmother ~~and grandfather~~ once. Lindsey Carter was the Indian. I think they may both have had Indian blood. They were living in Missouri then and it was about nine years ago when I saw the grandmother. They were living in Jasper County, Mo. My wife's grandfather was a farmer. He came to Missouri when he was young.

I claim under and as an heir of my late wife, Dickey Watts, nee Wil-
liams, who was granddaughter of "Free Will", a full blooded Cherokee
Indian who was born to the treaty of 1835 and probably 1846
*My wife was daughter of George and Mary Williams the latter being daughter
of said Free Will, my wife has only one brother living (A. J. Williams, agent)
making her and him the nearest blood relatives of their mother, Mrs. Williams,
but 2 other sisters and two brothers are dead, to wit: John and William, James
Williams and Wm. Williams, and R. M. Parks and William Long hairs,*

(Under this head the applicant may give any additional information that he believes will assist in proving his claims.)

"Free Will" was friendly to the United States in
1835 and was allowed great privileges for an Indian of those
days he was allowed to remain with the Eastern band of
the Cherokees, I understand he died before 1861 and most of
his children served to apply for annuities or care to be placed
on the Roll of 1851, so in my opinion his name is not on the Roll of
1851, since he died more than 10 years before he was admitted to the
Roll, *cannot say.*

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases
where applicable. Read the questions carefully.
I hereby appoint Belva A. Lockwood
of Wash. D. C., my Attorney, with a Commission of (10/10).
I solemnly swear that the foregoing statements made by me are true to the best of my

My Mother was on some one of the
Rolls - I think on the 1846 and also 1851
but we are not sure about the 1846
but one thing we do know we have
received nothing for the property that
we have been driven out from money
Education or anything else, and that
we are justly entitled to share in the
distribution of the funds - because of the
blood of our nationality and which is
not questionable with those that know
us - If there is any further information
that we can give you advise us
and we will answer as best we can

Very Respectfully

Dear Sir Replying to your inquiry of the
21st will say I claim my Indian Blood through
my Grandfather Charles Ward. and also my
Grandmother Sarah Charles Ward - including
my mother Catharine Ward - or - Catharine
- Jordan, my grandfather was almost a full
Blood and my Grandmother also, my
mother showed to be more than half Indian
and in fact the blood and nationality is
very distinguishable in my self those who
would read our Temperament would call
us quarterons, or $\frac{1}{4}$ Indian my
daughter Leornah Hamilton shows about
the same proportion of the blood and
any one who is acquainted with us
knows these facts, see -

21
I do not know the names of many relatives
as we were very much perplexed during
the war between the north and south
and were scattered everywhere to keep from
being killed and did not even get a shadow
of an education being poor and having to
work for even enough bread to prevent
starvation, being so scattered that we did
not try to keep trace of relationship I only
know the immediate family of Grandfather and
our own family as before I told my Grandfather
was Charles Ward and Grandmother Sarah
My Mother Catharine Ward or Catharine ^{Ward} Jordan
My Mother ~~never~~ never did talk very much
of relatives therefore we know very little
about any of them except the 2 families
here referred to,

see part 3

3 -

As to being enrolled - My Father and Mother Grand father and Grand mother were enrolled - on some one or all the - 3 - Rolls mentioned - I am inclined to believe that Grand father and Grand mother were enrolled in 1835 and 1846 but this I am not sure about) My Mother Catharine Ward or Jordan is on the Roll of 1846 or 1851 I think on both I am sure she is on the roll but am not sure which one ^{it is} said among those that know that she was one what was known as the old Swettland Roll - I do not know which name was recorded whether Ward - or Jordan and I think she was also enrolled on the Roll of 1846 and Grand father in 1835 - and also in 1846) but I am not sure about Grand father and Grand mother being enrolled -

Regarding enrollment

Below a Lockwood - where in
 Murphy, N.C., about 1 1/2 or 2 years
 ago - Had a copy of some old
 account the Rolls - mentioned which
 contained my mother's name - and others
 that are well known in that country
 and we know that others in that town
 is on the Rolls - Marmey Powells and
 many others - and were perhaps all
 placed on the rolls about the same
 time) The reason that we were never
 enrolled was from the fact we were
 always taught that if any one of the
 parents were on any of the authorized
 rolls that the whole posterity were legally
 eligible to share in any funds that
 might arise from any of the Trustees
 with the Eastern or other Boards of
 Judicious support 5

- 5 -

The Reason we think we are entitled to share in the funds arising from the decree of the Court of Claims are as follows - We were not allowed to retain the land we once owned and were run off from it; we never received a cent for it we have never had anything from the boundary west; we have never had anything from the Treaties - in any way we had had nothing from the yellowhill school - in the way of education or money - the land that should have been given back to us has been sold to white citizens and some of it taken by sheer force; and our people driven away from it and as a result few of us are educated and did not know how to help ourselves being surprised in by those who had more knowledge of such things

see part 6

next - 6 -

Our claims are honest Legitimate claims
as can be proven by as many witnesses
as is necessary and should be favored
with what is justly due us in the distribution
of the funds now available it would not
pay the 10th part of the estimated loss in
the way of opportunity in getting an
Educational and the property given up by
our parents in consequence of the late
war and the year of 1815 when all our
ancestors were driven out of the country and
had to give up all they had.
Now as to Slavery none of our people were
ever slaves at any time as we are
informed by those who are the oldest
in this country there is no African
blood about any of our relation as far
back as we have any history or can
get any information
see page 7.

1 /

We are Legally entitled to share in the distribution of these funds - because we are Indian Nationality as every one who knows anything about us would state on oath, We have answered your inquiry as best we can if however there any other questions should arise after you have fully noted the contents of this reply, please advise us at once and we are ready to give any information or evidence necessary on any one of the questions involved.

Waiting your further command

Dear Sir, Advise me the following questions
Can a white man married to Cherokee Indian
Share in the distribution of the funds-
Soon to be divided among Eastern Cherokees
Should the claims of mixed children
be filed separately after those of their
parents have already been filed,
Should my claim be filed separately
me being a white man married to Cherokee
are the children entitled to share any
portion of the funds, if so, how much,
Are there Land allowed to those entitled
to share in this fund- which is soon to
be distributed if so what are the steps
to a successful collection of same.

Miller - 2 -

I had my claims filed in January
by Mrs. Belva Lockwood and I never
could get any information from
her regarding children except she wrote
me that we were too late to file claims
for lands which sounds unreasonable
to me. I should think that if it was
not too late to file other claims it was
not too late to file for lands - please give
me this requested information and
that requested regarding children's
claims and I will appreciate it
very much if there is anything further
to be gained I will take necessary steps
Let me hear from you at
an early date.

Sir:-

Replying to your letter of July 19, 1907, you are advised that the supplemental application filed by Leonah H Hamilton has been received and placed on file.

You are further advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

You will be notified if there is any further information required in connection with your application.

I want your advice as to whether
or not we should fill out another

on the original claim # 15176 if we
can safely avoid it, I will appreciate
your advice in this matter and still
further appreciate an early reply

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to participate in this fund through any other source than Catherine Jordan, your mother? Under what name do you think she was enrolled in 1851? Were any of your ancestors ever ~~enrolled~~? Why have you never been enrolled? Give the names of your grandparents on both sides and state whether they, or any of them, were ever enrolled?

#1213

Were any of your ancestors parties to the treaties of 1835 and 1846?

Please state clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Mr. Gison Miller Washington D.C.

Dear Sir Relative to my claim to share
in the distribution of funds to eastern
and emigrant Cherokees - will say that
my claim originates through my great
Grand-Father Charles Ward - and great-
Grandmother Sarah Charles Ward and
thru my Grandmother Catharine Ward
or Catharine Jordan and through my
my Mother Laura Mauldin now by
marriage) My Father also - Ophus Powell
to whom I am the only child borned
there is neither any children borned to my
mother's second marriage Mauldin
my Grandmother on my father's side
Mrs Anne Welch Maiden name
and Powell her married name
see -

✓

My Father's Name of John Powell
his Mother's maiden name was Welch
his sister Mattie Maroney who lives in
Murphy NC was on some of the Rolls
and the family has had some money
from some one of the Treaties & do not
know which one, but they received money
from some one of the sources of Indian
money. Mrs Maroney the mother of the
family is my aunt My Father's Sister
My Father was about half Indian and
my mother Laura's maiden name is
about 1/4 Blood as her mother was
about 1/2 Blood Mrs Maroney's family have
all had money from some one of the
Treaties a few years ago when a number of
the Indians went west to the Cherokee
boundary but we could not go as we
did not have the necessary money

See 3

-3-

parties that got up their claims wanted us to go west at the same time but we declined to go because we did not have the money to pay the expense and still more it seemed that those that were working on the claims at that time wanted the whole thing any way. As before stated Mrs. Maroney's Family have all had money and my Father is her Brother and it was through her that the Maroney Family drew money as well as the Maroney side of the relative. They had money and were able at the time to look after it and pay their expenses we were not able at that time or we could have shared in the same funds or Lands -

See 4

-4-

Our reasons for claiming is that we have never had a cent from any of the Treaties and have never had any lands allotted to us of the Lands East or West neither any money from any funds arising from any of the Treaties and that we are Indian Nationality as can be proven by any number of witnesses necessary. There is no one who knows me that will not testify that am of Indian parentage and that I am justly entitled to share in the distribution of the funds now available for such payment of claims. I can not give names of relatives any further back than already given as I am not old enough to remember any thing about relatives further back.

see 5

6
We have never received any Land
Money Schooling money or any
thing else from any of the distributions
to this date, I would state further that
we feel that we are just as much
entitled to draw our share as any
that are the rolls and more so than
many of them, none of them can be
more entitled by blood than we
are and beside this many of them
have drawn money from some of
the Treaties and we have had
none so far — neither Land or
Education or anything else

see

6

My Grandmother Catharine Ward
is on some one of the rolls I think
are the 1846 and 1851 It may be
that her name is recorded as Ward
or it may be recorded Jordan
on the roll of 1851 and possibly
on the 1846 as Ward - We can not
as to which name is recorded whether
Maiden Name or Jordan married
Name but we know she is on
some one of the Rolls as some
of the family saw her name on
the copy of the rolls about a
year or so ago when Beva Lockwood
was in Murphy Nc in connection
with the claims but we would have
to write them to get the name recorded
and find which name it was
and find out name of Roll.

1

I have answered your enquiry
as best I could with my limited
knowledge of my ancestors as our
people have had no Education
we have very little history except
the immediate Families of our
relationship We can prove our
blood from many witnesses
There is no one that knows anything
about the families that would not
swear that the Blood is in the
whole Family throughout and
that our statements are correct
If we can give you any further
information advise us.

Very Respectfully

Mary Powell - I think she lives in the
west also, My Father's Mother was a

one of the rolls we do not know which
one we believe it was one the old
Sweetland Roll, My Grandmother was
evidently enrolled on the 1846-1857
and might have been recorded. Jordany
or word - Kate or Catherine we don't know
which those that knew her called her Kate
and Catherine - a man by the name of
Bill Thomas at one time had the rolls.
Someone of them and he was chief or
agent and became insane and had
to be placed in an asylum there
he died My Grandmother's name was

Belva Lockwood is supposed to have
a copy of the names on the Roll and
knows what Roll my Grandmother
is on as she signed those parties in
Murphy, Nc. She has my names and
a record of the whole history of Rolls
and is supposed to have
I was born and reared in Cherokee

Also - Father Also was born and reared
in Cherokee County, Nc., if there is any
question that you are not satisfied
about us, then we will inform
you as best we can - we do not

were

WILLIAM P. DOBY, being first duly sworn, deposes and says:

My name is Wm. P. Doby; I am 53 years old; I live at R.F.D.No. 1, Rockford, Surry Co., N. C. I have been in Surry Co. I think about 25 years. Before coming here, I lived near Old Town, Grayson Co., Va. I was born in Davidson Co., N. C., and moved to Grayson Co. when I was about 6 years old. According to what my mother said, I have Indian blood in my veins. She has been dead about 25 years; she died in Surry Co., N. C. She came here with me from Va. The Indian blood came through my father's side. He died in 1867 in Grayson Co., Va., near Old Town. He lived there from the time I was 6 years old until the second ~~xxx~~ year after the surrender. My mother said that my father's father was half Indian; I just really could not just say positively to what tribe he belonged. I never heard that my grandfather was enrolled, nor my father, either. I never heard my father talk anything about it; I was young when he died. I do not know where my grandfather was born; he died in Davidson Co., N. C. I do not know whether or not he was an old man. My father was about 50 when he died. My father was born in Davidson Co., N. C. I don't know whether my father ~~is~~ voted or not; I suppose he did. He took an interest in politics, as well as I can recollect. This is my brother with me, Charlie Doby (14635), and I have other brothers and sisters applying for this fund-- John Doby (15171), Jas. (19088), and sister Jennie (25411), Sarah McEllothern (14633), Emma Inscore (11934), Pulina Vernon (14640). They all claim Indian blood, the same as I do. I do not know whether my father ever lived with the tribe or not, but I suppose not. Nor do I know whether my grandfather ever lived with the tribe.

CHARLEY DOBY, referred to above, brother of Wm. P. Doby, being first duly sworn, deposes and says:

My name is Charley Doby; I am about 45 years old; my P. O. is Low Gap, N. C. I have heard the testimony of my brother, as given above, and ~~therefore~~ it is substantially correct, as far as I know.

Hon. Gaion Miller,

Dear Sirs - Relative to application No. 15180 for participation in the funds arising from the act of Congress appropriating money for the Eastern Cherokee Indians will say that I do not know why my grandparents nor my parents were never enrolled and in fact I thought part of them at least was on roll. None of my ancestors were slaves and I do not know whether they were parties to the treaty of 1356 and 1343 or not.

I have always been taught by my parents that I had Indian blood in my veins and some ten or twelve years ago made proof to that effect to be presented to the Dawes Commission and can get an affidavit now showing that I have Indian blood in me and showing that my father proved his claim up before him in 1857. If you want or if it is necessary for me to have this affidavit I can get it by going across two or three counties to where the party now lives. Please let me hear from you in regard to securing this affidavit and as to whether this explanation is sufficient.

Yours truly,

William A. Overby.

November 18, 1909.

Mrs. Emma Silver,
Blaine,
Georgia.

Madam:

Replying to your letter of November 15, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioner.

My name is Thomas Jefferson Crawford and I reside at Tiger, Ga. I was born in Rabun Co., Ga. in 1848. I am claiming for my children through my wife, Lucinda Crawford, whose maiden name was Lucinda Linn, or Lynn. My wife was born in Monroe Co., Tenn. about 1869. My wife claims through her mother, Eliza Lynn, whose maiden name was Eliza Kirkland, and she was a half Cherokee Indian. My wife's mother's father, James Kirkland, was a full blood. I knew old Kirkland and talked with him often, he was a Cherokee Indian and told me that he was born in Cherokee Co., N. C. He could talk the Indian language and told me that he was raised among the Cherokee Indians. I do not know why he didn't go West, but he told me that he was kept back with what were known as the Thomas Indians and they did not have to go. He claimed that he was under old Bill Thomas, who was a Chief, and he told me that they were always recognized as a part of the Cherokee Indians. This is all I know about the matter.
